

AFFNS wider reopening risk assessment

SREF NO	TASK / WORK / OPERATION	DO HAZARDS EXIST?	WHAT ARE THE HAZARDS?
01	Arrival and departure of school staff	Y	Mixing of staff and non-adherence to social distancing measures during the arrival to and departure from school
02	Drop off and collection of children	Y	Mixing of parents and carers / children and young people and non-adherence of social distancing measures during the drop off and collection times
03	Use of classroom space	Y	Unable to maintain social distancing
04	Movement around the building	Y	Unable to maintain social distancing measures and mixing of pupils and staff whilst moving around the building
05	Use of shared equipment and resources	Y	Higher risk of contamination if pupils and staff use shared equipment and resources
06	Use of outdoor spaces and equipment	Y	Higher risk of contamination if pupils and staff use shared outdoor spaces and equipment
07	Lunch times	Y	Mixing of children during lunch times and maintenance of social distancing measures
08	Access to toilets and hand washing facilities	Y	Mixing of pupils/staff during visits to toilets and hand washing facilities
09	Supporting clinically vulnerable pupils and staff	Y	Pupils and staff are at higher risk of severe illness if they do not maintain social distancing / follow medical advice
10	Managing symptomatic pupils and staff	Y	Risk of infecting pupils and staff if symptomatic pupils and staff are not managed in line with the guidance
11	Managing visitors and temporary staff	Y	Visitors spread the risk and do not adhere to social distancing guidance
12	Delivery of inbound goods	Y	Ineffective infection control and increased risk of infection
13	Cleaning	Y	Ineffective infection control and increased risk of infection
14	Staff wellbeing	Y	Staff absence due to anxiety
15	Changing children / first aid	Y	Risk of infection if appropriate PPE is not worn
16	Fire evacuation, bomb threat, lockdown	Y	Mixing of children during fire evacuation, staff and visitors and maintenance of social distancing measures
