

## Home learning

### **If your child has to self isolate:**

You will have received a set of 'next steps/' for your child. These form the basis of your child's home learning if they are unable to attend nursery due to self-isolation. Use the practical activities we have attached with these next steps to help you to play and have fun with your child. You can add any photos to your child's Tapestry account. Use the + sign to add an observation including photos and comments about how they are playing. Have fun!

### **If Nursery School is closed due to Covid:**

Use the next steps to support your child, as above. Alongside this we will post a daily activity onto Facebook. These will always be practical and fun!
