

St David's Day

Yesterday we learned about St David's Day which is celebrated by the Welsh on 1st March. We looked at the Welsh flag and talked about the symbol of the dragon.

The children painted their own flags using the colours to represent the welsh flag.

We explored objects that are traditionally associated with Wales, and clothes worn by those celebrating the day.

We tasted some welsh food including "Bara Brith" a traditional welsh fruit cake and also Welsh Cakes.

We learned some welsh words such as "Diolch" meaning "Thankyou"

We had a lovely day!
